

ATTENTION — MEDICAL OFFICE STAFF

ARE YOU AWARE OF THE NEW PAYOR-PROVIDER GUIDELINES?

The CT Workers' Compensation Commission is presenting a seminar that will assist you in adhering to the recently-issued *Payor and Medical Provider Guidelines to Improve the Coordination of Medical Services*.

Please download and read the *Payor-Provider Guidelines* from the Commission's website at <http://wcc.state.ct.us/download/acrobat/payor-provider-guidelines.pdf>

This seminar helps workers' compensation providers to satisfy the educational training requirements established by Administrative Regulation § 31-280-1(a)(7).

This seminar is designed for medical office staff responsible for administering workers' compensation matters to ensure timely authorization for treatment and payment of bills.

Please have appropriate staff choose one of the two dates (at right) and contact us **BY EMAIL** to register for a seminar: WCC-Seminar@ct.gov

The medical practitioner is welcome to attend, but the seminar is intended specifically for medical office staff.

Pre-registration is required.
